

With U. S. Savings Bonds, the more you give, the more you receive.

Every day, we pass a little of ourselves on to the next generation: when it's best to go fishing, which bait to use, how to cast, what makes a keeper. The knowledge that we give stays with them forever.

Giving U.S. Savings Bonds also passes an important lesson on to the future generation. Bonds can teach our children how to save, how interest grows, and how a small investment can help make their dreams come true.

Bonds are as easy to buy as they are to give especially with the **new U.S. Savings Bonds EasySaver Plan.**

Just sign up once and automatically purchase U.S. Savings Bonds from your checking or savings account. You simply select the amount, the recipient, and the purchase dates.

EasySaver is a safe and easy way to build their future.
